

Let us come to you...

WE OFFER IN-ROOM SERVICES

Indulge in the luxury and privacy of transforming your own room into a spa haven. Your in-room service begins with a signature Purifying Shower Ritual which takes place while your therapist transforms your room into a serene and tranquil spa getaway. Every in-room massage treatment begins with this luxurious service and features our distinctive Aveda products.

Begin your treatment with a steamy shower and our rich, aromatic body cleanser. Next, exfoliate with a softening blend of sugar cane and jojoba oil; this will prepare your skin for the nourishing body creme and oil we use during your massage. Your skin will feel lush and renewed.

After your Shower Ritual, re-enter your room as a private spa haven, dimly lit with our signature Aveda candle that infuses an exotic, sweet, spicy scent. Your treatment continues with an aromatic skin toning and is followed by a sensory journey featuring essential oils that allow you to customize your service with the aroma that suits your mood. Lie down and relax on a warmed massage bed, made with 300 thread count sheets, as your massage begins.

Upon completion of your treatment, breathe in the aroma drifting through the room, wrap yourself in a plush spa robe, and enjoy your own private in-room spa haven without ever stepping foot outside your door.
